Description

"Baby Birkin" is an NFT Artwork by Mason Rothschild and Eric Ramirez. The 2000x2000 animation in 3D max is soundtracked by a space-age .wav audio file, amplifying this illustration of pregnancy in an enigmatic creation, and an ironic nod to the iconic bag. The Birkin, by French luxury goods maker Hermès, has been revered as a symbol of luxury and status since its introduction in the 1980s.
